Striving for Excellence: Learning for Life

April 2025

Dear Parents/Carers,

This year, our Microsoft licensing provides access to Minecraft Education for each pupil. Minecraft Education can be used on Windows and Mac devices and is also available from Google Play and the App store for Android and iOS devices.

More guidance on how to install the app for devices can be found under the Installation tab on the link below:

<https://edusupport.minecraft.net/hc/en-us/categories/360003796971-Get-Set-Up>

Please note that Minecraft Education is different than the standard retail Minecraft so make sure you're accessing the right version.

Your child can log into Minecraft Education with their usual username@astonfields.worcs.sch.uk and password.

We hope that your child enjoys access to this resource.

Yours sincerely,

Mr J Pavlovs
Director of Computing
